My Dear Sam,

I understand from yr letter of May 1st that the 10000 shares of C. stock has been released from the attachment. If it has not please advise me, as also, for what sum it can be released. In thinking over the Dolly matter I feel that if we pay the amt which they have had in assessments since we became connected with the Co. they should be very glad. The 10000 shares of C. stock now has no place in any pool - and does not need to be held by trustee, and I think Judge Goodwin's position would be simplified by having it wholly segregated from what he so holds. It would it not be better to have it made in Straford's name instead of yours (naught of any claim on Smith's part of Wicket & Co) as you have his power of atty to transfer. The transfer to Straford seems to me to be the best. The stock is subject to assessments we have paid with but do not want it included in the now freed pool of 200000 shares - Your atty yr father W. H. Chapman
